

HCL-36UX

Made in Japan

Clampless Digital
Current Tester

Harmonics and load current measurements for MV circuit

-  Measurement Value
-  Measurement time
-  Temperature and humidity
-  Measurement point

Cloud server

Max 36kV line

Three phase load
current measurement

Display unit "MDU-200X"
+Load current

Dedicated structure
for impact resistance

Protection
class IP54

+Load current
+Harmonics current
(up to 25th) on our
APP "Multi-Tracer"

Harmonics current
waveform display
is also possible!

Available to select
display unit

MULTI

Established. 1986, Tokyo
